Local Syrian Family Update

Thank you for your generous gifts in support of this family in our community during their first year in Canada! Total donations from St. John's for July and August were just over \$800. The family is healthy and doing well with the father working for a local firm remodelling homes. The eldest child begins grade one this week. If you would like to donate, please note on the 'Special' line of your envelope "for Refugees". See photos on our bulletin boards. Thank you again your kind generosity!
