Prayer

O, Lord our God, You who are a gracious and loving God who neither sleep or slumber, You watch over us day and night. You know the pain of your people, the cries of your creation.

We pray for all who suffer or experience pain in all parts of the world. We pray that You will help the injured, protect those in danger, support the dying, bring comfort to the grieving and soothe the anxious whose families and lives are forever changed by grief and loss. Bless with Your strength and comfort those who have survived the trauma and devastation of this natural disaster.

We ask Your blessing on all those who have lost their homes, their livelihoods, their security and their hope.

We pray that You will strengthen and guide doctors, nurses, and all those who serve in emergency services and all who bring comfort and relief. We pray for our own, people who are sick, people who are in

need, people who may need to make some hard decisions about their future and where they are in relation to You, we are praying for the single parent, Lord, please support in every possible way, we pray for our youth, our elderly, we want to pray for families, we want to bring every married couple to You, pleading with You that You will bless their marriage, we want to pray for all people, for each one according to their needs, o Lord, please comfort them, provide for them.

We want to pray for each and every world leader, that they may be inspired through the Holy Spirit.

In the name of Jesus we pray. Amen
